The RP Group Out and About Round Up

We've been busy the last few months out presenting to CCC professionals and practitioners about Student

Support (Re)defined and Guided Pathways. See where we've been, and click the button below to get more information about inviting us to present at your college or organization.

Student Support (Re)defined

Presented by Dr. Darla Cooper at AACRAO

RP Group's Interim Executive Director Dr. Darla Cooper was one of three keynote speakers at The American Association of Collegiate Registrars and Admissions Officers (AACRAO) national Technology and Transfer Conference in New Orleans on July 9-11 where she gave the opening plenary on "Student Support (Re)defined: What Students Say about the Support They Need to Succeed."

Student Support (Re)defined and Equity Focus Group Results

Presented by Dr. Darla Cooper and Ileri Valenzuela at Riverside City College

Part presentation and part facilitated workshop; this all day session provided support services faculty, staff, and administrators an overview of the six success factors and engaged the group in a discussion on how everyone at the college plays a role in student success.

Correction!

In the recent email blast, "Learn about the six words that are literally shaping a school...", we mistakenly identified presenter Jeff Archibald as "President, Academic Senate for California Community Colleges/Mt. San Antonio College." We regret our error. The President of the Academic Senate for California Community Colleges is Julie Bruno. Jeff Archibald was the President of the Academic Senate for Mt. San Antonio College and is now currently the Dean of Social Sciences at Pasadena City College.

Reading Apprenticeship Showcase at American River College

Do your students struggle to do the reading in your class? Do you ever wonder how to help them engage with the course texts? Do you feel like giving up on assigning reading? Don't give up...

Reading Apprenticeship (RA) helps teachers support students across disciplines and levels to become motivated, strategic, and critical readers, thinkers, and writers, to develop positive literacy identities, and to engage with challenging academic texts.
