American River College

### Programmer I

Job Posting Number: C00193P

Salary: \$5,063.62 per month

Closing Date: 3/31/2017

Complete job description and application available online at: <http://jobs.losrios.edu/postings/3847>

### Position Summary

This is an experienced programmer. Under general supervision, incumbents perform specific, complex technical duties. [For a detailed job description for this Los Rios Classified Employees Association (White Collar) posting Job Descriptions click here.]

This position is assigned to the Planning, Research & Technology department.

### Assignment Responsibilities

- Assists end users with hardware, software, applications, and/or network usage.
- Develops specifications, descriptions, and operating instructions.
- Performs system analysis on projects of moderate scope.
- Serves as technical advisor to college and District staff.
- Designs, codes, and tests new program modules or revisions to existing programs.
- Produces detailed program specifications from general needs analysis.
- Creates test data and creates and implements test plans.
- Maintains code documentation and maintains and enforces version tracking.
- Works with campus and District technicians, specialists, and analysts to implement and maintain needed connectivity and resolves network connectivity problems.
- Adapts to new systems by creating new ways of performing old processes.
- Performs related duties as required.

### Minimum Qualifications

EDUCATION/EXPERIENCE: An Associate degree in computer sciences or closely related field (or completion of an equivalent certificate program) and three years' experience directly related to job duties; OR, a combination of training and/or four years' experience with related job duties likely to have provided the required level of knowledge and abilities.

Have sensitivity to and understanding of the diverse academic socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds of community college students, including those with physical or learning disabilities as it relates to differences in learning styles.

(Experience Requirement: One year of experience is equal to 12 months of experience at a maximum of 40 hours per week. Applicable part-time experience will be converted to the full-time equivalent for purposes of meeting the experience requirement. Education Requirement: 12 units are equal to six months of education; 24 units are equal to one year of education.)
