Online Education Initiative “OEI”

- Grantee: Foothill-DeAnza CCD in partnership with Butte CCD
  - Commenced on December 1, 2013
  - Primary Goals
    - Provide more opportunity for students to access courses and complete the associate degree for transfer faster.
    - Made up of a Consortium of Colleges Providing ADT Courses
    - Utilizes a Common Course Management System
    - Includes Professional Development, Tutoring and Proctoring
  - Update: Instructure’s Canvas chosen for the CCMS
## OEI Pilot Colleges

### Student Readiness
#### Spring 2015
- Antelope Valley
- Cabrillo
- Hartnell
- Miracosta
- Monterey Peninsula
- College of the Canyons
- Rio Hondo
- West Los Angeles

### Online Tutoring
#### Spring 2015
- Barstow
- Ohlone
- Columbia
- Imperial Valley
- Mt. San Antonio
- Pierce
- Saddleback
- Victor Valley

### Full-Launch (CCMS)
#### Summer/Fall 2015
- Butte
- Coastline
- Foothill
- Shasta
- Fresno City
- Lake Tahoe
- Mt. San Jacinto
- Ventura
Education Planning Initiative “EPI”

• Grantee: Butte CCD
  – Commenced on December 1, 2013
• Provides: Education Planning and Degree Audit Tools
• Primary Goals: With structured pathways through a student services portal EPI will -
  – Help Students Clarify Goals for Success
  – Assist Under-Resourced Counseling Services
  – Align Colleges with SSSP Legislation
• Update:
  – The EPI Steering Committee has chosen Hobsons to develop and deliver the EPT and DAT Solution
EPI Pilot Colleges

- City College San Francisco
- El Camino College
- Fullerton College
- Mt. San Jacinto College
- Santa Rosa Junior College

- Crafton Hills College
- Fresno City College
- Los Medanos College
- Santa Barbara City College
- Victor Valley College
Common Assessment initiative “CAI”

- **Grantee:** Butte CCD in partnership with Cal-PASS Plus and Saddleback college

What Is the Institutional Effectiveness Partnership Initiative? It Is:

• Designed to Advance Community Colleges’ Institutional Effectiveness by Drawing on Expertise within the System
• Funded by California Community Colleges Chancellor’s Office
• A Five-Year Grant (Ongoing): December 2014 to June 30, 2019
• $2.5 million per year
What Are the Desired IEPI Outcomes?

• Continue to Advance California Community Colleges as the Most Effective System of Higher Education in the World
• Eliminate Accreditation Sanctions and Audit Findings at the Local College Level
• Expand Access for Our Students and Attainment of Their Educational Goals
What Are the Major Components of the IEPI?

- Framework of Indicators
- Professional Development
- Technical Assistance through Partnership Resource Teams (PRTs)
- Advocacy for Systemic and Policy Changes
