Background

  ◦ “Community colleges will create a continuum of strategic professional development opportunities for all faculty, staff, and administrators to be better prepared to respond to evolving student needs and measures of student success.”
  ◦ “The Chancellor’s Office should explore the use of myriad approaches to providing professional development, including . . . the use of technology.”
Background

Chancellor’s Office Student Success Initiative Professional Development Committee (2013).

◦ Thirty-member committee.
◦ Charge: Develop ideas and strategies to “revitalize and re-envision” professional development in the CCC system.

Recommendation: “Establish a virtual professional development resource center.”
