RP Conference
Strengthening Success Conference
Marriott, Oakland City Center
Oct 9, 2015
History

• Student Success Task Force

  – 22 Recommendations in 8 Focus Areas

  – 2/3 of the recommendations made reference to the student education plan
History

• SB1456 – Student Success Act of 2012
  – Repurpose Matriculation bill of 1986
  – Focus on the Core of Student Support Services
    • Orientation, Assessment, Education planning and follow-up services
  – Completion is the goal
  – Funding with much more accountability
1. Mandatory **new student onboarding**: orientation, assessment and education plan = priority registration/enrollment

2. Must have a **major** or specific education goal by 15 units or before the completion of the third semester or a registration hold may be placed

3. By Fall 2016 students student maintain good academic standing in order to be awarded the Board of Governors Fee Waiver.
Three Initiatives

- Common Assessment Initiative (CAI)
- Online Education Initiative (OEI)
- Education Planning Initiative (EPI)

Student Success!
Three Initiatives Intersect

• Student Success through planning, support, equity, and workforce goals

• Broad integration, support for “system”

• Bring to scale services for a strong financial outlook
EPI Program Goals

- Help students make informed choices based on clear goals and a concrete plan
- Coordinate the plethora on online resources
- Assist under-resourced counseling services
- Promote and support coordination between colleges, including CSU and UC
- Support management solutions
10 Pilot Districts (14 colleges)
Distribution of Pilot Colleges

- 9 Districts
- 14 Colleges
Student Services Portal

- Self-discovery
- Career exploration
- Application
- Assessment
- Orientation
Education Planning Tools

</table>
| ENGN 38| Introduction to Programming Concepts and Methodologies for Engineers

(Formerly "Introduction to Computing for Engineers" prior to #15)

- ENGN 45| Materials Science                                 |          | 3     |
- ENGN 45L| Introduction to Engineering and Technology Laboratory |     | 1     |
- ENGN 91| Applied Engineering Project                        |          | 2-4   |
- ENGN 99| Materials and Fabrication Shop                     |          | 1     |

**END OF REPORT**

- Common course numbering (C-ID)
- e-transcripts
So how’s it going???

- City College of San Francisco
- Contra Costa District (Los Medanos, Contra Costa, and Diablo Valley College)
- Santa Rosa Jr College
Questions??

Thank You!
