TRANSFORMATION & LEADERSHIP IN COMMUNITY COLLEGES

Strengthening Student Success Conference
Oakland CA. Oct 7, 2015
Rose Asera & Bob Gabriner
As you reflect on the last ten years in the California community colleges, How would you describe what has happened? For yourself as an individual, for your colleagues, and for your institution?

What have been the high points and the low points?
Between present conditions in the colleges and transformation: What needs to happen?
