Faculty Leadership: Ensuring Academic Quality During Institutional Change

Julie Bruno, ASCCC President
Dolores Davison, ASCCC Secretary
John Stanskas, ASCCC Vice-President
Strengthening Student Success Conference
October 12, 2017, 11:15-12:15
Overview

1. Defining our terms
2. Acknowledging the current political situation
3. The role of the senate
4. Institutional decision-making and meeting the challenge
Terms

Academic Quality

Transformational Change

Collegiality
Current Political Climate

Visionary

Emboldened to direct changes from the top

Pressure to improve service to students without compromising rigor
Role of the Academic Senate

Curriculum, including establishing prerequisites

Degree & Certificate Requirements

Educational Program Development

Standards & Policies regarding Student Preparation and Success
Institutional Change in the Governance Structure

• How do we approach informed dialog?

• How do we implement change rapidly enough to comply with deadlines but thoughtfully so that constituencies can participate in crafting appropriate policies that meet the needs of students?
QUESTIONS?

THANKS FOR COMING!
