MULTIPLE MEASURES ASSESSMENT PROJECT (MMAP) AB 705 EVENTS
SPRING 2020

WEBINAR:
AB 705 AND ESL
Friday, March 20 – 12 pm to 1 pm
https://cccconfer.zoom.us/j/543025017
Join us to learn how Irvine Valley College has transformed their ESL curriculum to support students throughout an integrated ESL sequence including an ESL corequisite to support ESL students in transfer-level English. Laney College will share their Guided Self-Placement tool for ESL students and the MMAP team will share the latest research for ESL students.

WEBINAR:
COREQUISITE SUPPORT MODELS FOR ENGLISH AND MATH
Wednesday, April 29 – 12 pm to 1 pm
https://cccconfer.zoom.us/j/169501710
Pasadena City College, Porterville College, and others will showcase their corequisite supports for transfer-level English, Statistics and B-STEM math courses. Attendees will have opportunities to ask questions from the presenters.

WEBINAR:
EVALUATING AB 705 IMPLEMENTATION
Wednesday, April 22 – 12 pm to 1 pm
https://cccconfer.zoom.us/j/246602749
This webinar is specific to IRPE professionals and will cover various short- and long-term outcomes that institutions can attend to in order to help understand, support, and evaluate local AB 705 implementation including locally developed placement rules, disproportionate impacts, and self-placement and guided self-placement models.

POST-CONFERENCE WORKSHOP:
LET’S DO THIS! FULL EVALUATION AND VALIDATION OF AB 705
Friday, April 17 – 9 am to 1 pm
https://cvent.me/NVQobv
This workshop will cover (1) validating placement rules that deviate from the default placement rules; (2) evaluating self-placement and guided placement models; (3) AB 1805 compliance and reporting plans; and (4) disproportionate impacts of AB 705 as it pertains to placement and enrollment into transfer-level courses. This will be a hands-on session to learn from others, ask questions, and get feedback on current and future evaluation and validation plans.

WEBINAR:
SUPPORTING DSPS STUDENTS THROUGH AB 705
Wednesday, May 13 – 12 pm to 1 pm
https://cccconfer.zoom.us/j/639155076
This webinar will share recent results from a statewide analysis of transfer-level English and Math for DSPS students by various disability types. Colleges will also share examples of how they are supporting DSPS students in transfer level courses.
